VEHICLE BURGLARIES

Please be aware that we have had several vehicle burglaries in the West Bountiful area. In doing our research, we have noticed that our residents are leaving their valuables (purses, checkbooks, wallets, shopping items) in plain view. This is enough for the burglar to break your window and enter your car. We have seen several vehicles that even have the keys in their ignition! That makes it really easy for the burglar to get around to his next location.

Do not keep your valuables in your car. Also, lock your vehicle. In addition, call us if you notice suspicious activity around cars or in parking lots. Our telephone numbers:

Police Emergency number is 9-1-1

If you need an officer to respond: 451-4150 (Davis County Dispatch) this numbers is 24 hours a day.

Police Administration: 292-4487 business hours.

South Davis Brochure Contains Areas of Historical Interest Including West Bountiful Sites

The South Davis History Art Culture Consortium has published a brochure of information concerning areas of interest in the South Davis Area. West Bountiful City is proud to host one of the panels in the brochure. The full color brochure will be circulated in the next city newsletter.

There is an incentive included in the brochure that invites you to explore the history of the featured sites. If you visit at least four of the six organizations listed in the brochure, you will receive a small gift at the Bountiful/Davis Art Center located at 745 South Main Street in Bountiful.

Places featured in the publication are the Bountiful History Museum, Hogan Cabin, Lamplight Art Gallery, a drive down Onion Street in West Bountiful's Historic District, and the Chalk Art Festival in June down Main Street in Bountiful sponsored by the Joy Foundation. Make plans to enjoy these wonderful sites this spring and summer.
